"The Spy" will be played tonight at on account of its purity. Also Dunot need the popularity of the local players alone to win for it enthusiastic applause as the play itself and the acting will merit praise of a most unre erved measure.

It is expected that a handsome sum will be realized for the National Guard of Hawaii, which is one of the most popular organizations in the city. Col. Jones and other officers have worked energetically to make a success of the undertaking and their hopes will unoubtedly be realized.

The play, being a war drama found-ed on events in the Civil War, will be nostly of a military nature and will consist largely of battle scenes, soldier camps and other stirring events of the war. Over 125 people in costume and

uniform will take part. Many good seats are at the disposal of any late comers who desire to see the play although the sale has been unus ually large. Tickets can be procured at Wall, Nichols Co. up to 5 o'clock and later at the Opera House door.
